Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-019-08498-2>, published online 08 February 2018

The original version of this Article contained an error in the first sentence of the Acknowledgements, which incorrectly read ‘This publication was supported by Contract HR0011-15-C-0055 (DODOS) from the Defense Advanced Research Projects Agency (DARPA), Defense Sciences Office (DSO).’ The correct version states ‘Microsystems Technology Office (MTO)’ in place of ‘Defense Sciences Office (DSO)’. This has been corrected in both the PDF and HTML versions of the Article.
