Preparation of a game session

Before the players arrive, it takes about 15 minutes to arrange the boards, the cards and tokens correctly.

For 6 teams, it may be necessary, depending on the configuration of the room and the number of players in the teams, to have several game masters.

Remember to shuffle the journal cards well.

Explaining the rules of the game takes about 10 minutes.

A game session for 4 teams takes about 40 minutes.

A game session for 6 teams takes about 50 minutes.
