Application for Permission
to Publish Paper in Institutional Repository

I request permission to preserve and publish the following material, copyrighted by the Japan Society of Applied Physics, in an institutional repository.

Repository in which applicant wishes to publish the paper (the Repository)

Name of institutional repository: **Infoscience (EPFL internal repository)**

URL: <http://infoscience.epfl.ch/>

Name of manager (e.g., person in charge, server management organization): infoscience@epfl.ch

Paper to be published (the Paper)

Journal title: **Japanese Journal of Applied Physics**

Volume/Year/ID(starting page): **37 (4A) / 1998 / 2007-2012**

Article title: **Stabilized platinum electrodes for ferroelectric film deposition using Ti, Ta and Zr adhesion layers**

Author(s): **Maeder-T Sagalowicz-L Muralt-P**

Applicant

Name: **Thomas Maeder (lead author)**

Affiliation (e.g., university, company, organization): **EPFL**

E-mail address: thomas.maeder@epfl.ch

I will abide by the following conditions of publication.

1. Bibliographic information on the Paper (e.g., journal title, name of author(s), volume, issue number, starting and final pages, publication year, digital object identifier (DOI)) will be disclosed on the corresponding page in the Repository.
2. The final manuscript prepared by the author(s) must be used, not the PDF file of the paper published in the Online Journal.
3. A link to the abstract of the Paper in the Online Journal must be provided on the corresponding page in the Repository.
4. A credit line, which states that the Japan Society of Applied Physics holds the copyright to the Paper, must be included on the corresponding page in the Repository.
Example: The copyright of this paper belongs to the Japan Society of Applied Physics.
©xxxx The Japan Society of Applied Physics
(xxxx is the publication year of the Paper)
5. It must be confirmed that the Repository is that of institution(s) subscribing to APEX/JJAP.
6. The Paper will not be published in other repositories or websites.
7. The Paper will not be used for profit.
8. It must be stated that the present application has been made with the consent of the author(s) of the Paper.

Signature of applicant: 

ENDORSEMENT

Dr. Thomas Maeder

I permit the publication of the Paper in the Repository.
